ST GEORGE UT 84770

Dear Mr. Feller:

Your amended notice to conduct mining operations on unpatented mining claims, Black Hills #2, #4, and #5, UMC serial numbers 337004, 337006, and 337007, located in Sections 11 and 15, T. 23 S., R. 13 W., SLBM, was received on February 28, 1995, and has been accepted by this office. This case file, number UTU-070666 has been amended accordingly. Please use this number in any future correspondence concerning this notice.

If you change your operation from what is described in your notice, you are required to contact this office prior to the change. If your operation extends for more than one year, please advise this office on the status of your mining related activity on the anniversary date of your notice.

Enclosed is a copy of the Conditions of Acceptance for BLM Mining Notices, stipulated by the Richfield District, Warm Springs Resource Area. Please follow these guidelines as they pertain to your operation.

A copy of your amendment has been sent to the Utah Division of Oil, Gas and Mining (UDOGM); therefore, you will not have to file this amended notice with them. A copy of your amendment has also been sent to the Utah Department of Environmental Quality, Division of Water Quality (DWQ). DWQ should contact you concerning any permits you may need, however, their failure to do so does not absolve you from responsibility for obtaining the same.

A permit for explosives may be required from the Bureau of Alcohol, Tobacco, and Firearms (ATF). The address for ATF is

125 South State Street
Salt Lake City, Utah 84145.

If ATF requires a permit, a copy of the permit should be submitted to this office.

You are required to report to this office, all hazardous materials associated with your operation along with information regarding their use, storage, transport, quantity, generation and disposal. Information regarding hazardous materials can be obtained from the State of Utah, Department of Environmental Quality, Division of Solid and Hazardous Waste at:

288 North 1460 West
Salt Lake City, Utah 84114-4880

You are required to contact the Department of Environmental Quality (DEQ), Emergency Response Section (ERS) at the Sections 24-hour response number (801-536-4123) immediately of a spill or discharge of hazardous substances.

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands and reclamation is required at the earliest feasible time. Please notify this office upon completion of operations and reclamation so an inspection may be conducted on the site. Reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act.

Acceptance of your notice will not now, nor in the future, serve as a determination of the validity nor ownership of any mining claim included under your notice.

If you have any questions regarding this letter, please feel free to contact Rody Cox at (801) 743-6811. Thank you for submitting your amendment.

Sincerely,

Rex Rowley
Area Manager
